

# **Application of Modification and Repair Approval for Aircraft**

## **Introduction of service**

Evaluation and approval for modification and repair approval for aircraft.

## **Service target and eligibility criteria**

The registered owner of a Macao registered aircraft can submit application of modification/repair approval to the Civil Aviation Authority. The person responsible for the modification/repair design must have sound knowledge of aircraft certification and design principles embodied in the aircraft type being modified.

## **Result**

Issue the approval of modification and repair for aircraft to eligible applicant.

---
