# Introduction to Aeronautical License Services in Macao One Account

**AACM is currently providing a range of personnel license online services through the “Aeronautical License Management System (ALMS)”. With effective from 3 July 2026, certain services will be integrated into the “Macao One Account” platform, thereby supplementing and enhancing the existing ALMS framework.**

The available services in the “Macao One Account” platform are:

- Renewal application of Class 1 & Class 3 medical certificate
- Booking of pilot license written examinations (ATPL and conversion)
- Booking of language proficiency test
- Booking of AMEL examinations
- Application for Declaration of license information
- Notification of Injury (Pilots and ATC)

## Macao One Account Login Page (Web interface)

- Applicant must hold a valid “Macao One Account” for login to the platform.  
(<https://account.gov.mo/zh-hant/login>).
- For license holder of CPL, ATPL and ATC, applicant must be employed by an organization which operates or services Macao registered aircraft.
